December 6, 2018

Dear Parents/Guardians:

In order to earn a Maryland high school diploma current students must pass the English 10 PARCC Exam and the Algebra 1 PARCC Exam. On Tuesday, December 11 through Thursday, December 20, we will administer the required state assessments in English 10 and Algebra 1 for selected juniors and seniors who need to meet the requirement. The PARCC assessment consists of 3 units of Math and 3 units of English Language Arts. We will administer one unit each day within our regular bell schedule. Students receive notification through their English and Math classes if they are expected to test. Attendance is very important! Please see the schedule below for more information.
