

# MONTGOMERY BLAIR

## SUMMER MATH INSTITUTE

**What?** MBSMI is a hybrid summer school option (hybrid=traditional face to face and online instruction)

**Who?** MBSMI is available to all students looking to earn original credit, improve their GPA, or to repeat a course to gain credit.

**How?** MBSMI will meet twice a week for 4 hours of face to face instruction. Online instruction and assignments will also be completed twice a week. Any student needing a device or additional face to face instruction can attend open math labs.

**When?** Classes will meet Tuesday and Thursday from 8am - 12:30pm. Each session is 3 weeks. All other work is completed online, when it is most convenient to you. Open math labs will be held on Mondays and Wednesdays from 8am - 12:30pm.

**Expectations:** Attending Face to Face classes, twice a week, is mandatory. NO EXCEPTIONS! You will also be required to complete ALL online assignments. Ongoing support will be provided in open math labs, twice a week.

**Cost:** Each .5 credit is \$300. Depending on verification of household income, payment reduction may be available to students through a tuition waiver (\$85 or \$120). **Once a student enrolls in a class there are no refunds.**

**Registration:** Class seats are limited (max 28 per class). Registration Opens March and closes once the class is full. Submit forms and payment to Beth Sanchez or Crystal Brown in room 246 .

\*Session 1 registration deadline June 7th

8Session 2 registration deadline June 28th
