Additional valuable tools from TERC

Online resume builder - perfect for 12th grade college applicants and career- bound students.

Question Banks for reading, math, science and writing (grades 6-12)

See directions on the other side:
OR

See **Ms. Lamphier** in the **Media Center** for help.

* *Online test prep books* available for these subjects.

Testing and Education Reference Center (Gale)

From school, users will not be prompted to enter the password in **step 5 below**, as the school's IP addresses are automatically recognized.

Once you have accessed the product, create a **personal account (step 10)** with your own username and password.

From home, students will enter the school level username & password highlighted below at step 5. Once they've accessed the product, they create a **personal account** with their own username and password.

From the [Blair Home page](#), go to:

1. <http://imc.mbhs.edu> - Media Center
2. **Online Databases by Subject**
3. **Test Prep and Study Tools**
4. [Testing & Education Reference Center](http://infotrac.galegroup.com/itweb/mcps_blair?db=TERC) http://infotrac.galegroup.com/itweb/mcps_blair?db=TERC
5. **From home** - enter the Gale / Cengage password from the back cover of your planbook.
6. College Prep Tools – for ***SAT / ACT / PSAT test prep***
7. High School Tools – for ***Advanced Placement exam prep***
8. International tools – for ***TOEFL & TOEIC prep***
9. Select from several choices:
 - Online practice tests
 - Online course (**diagnostic** course – prepares students for the test)
 - Online test prep books
 - Other resources (question banks, flashcards, etc.)
10. **Once in the product, students must create a personal account.** I recommend using your **personal email address** so you can continue to use TERC for years to come.

After creating the account, users will be prompted to login to their personal account by entering their *individual* username and password.
