Dear Montgomery Blair High School Families,

I am writing to inform you that I will be on medical leave from Thursday, March 2, 2023 – April 30, 2023, due to the need to have total knee replacement surgery.

I want to assure you that the school's operations will continue as normal. Tracy Pettis-Jones, assistant principal, will supervise the school's daily operations while I am away. Ms. Pettis-Jones was acting principal at Paint Branch High School prior to coming to Blair and she is well-equipped to handle any issues that may arise and has my full trust and confidence. If you have any concerns or questions during my absence, please do not hesitate to reach out to her or your child's administrator.

Our school's commitment to providing high-quality education to our students remains unchanged, and we will continue to prioritize the well-being and academic success of your children. I have full confidence in our staff, who are dedicated and hard-working individuals, and I know that they will continue to provide your children with the best possible education.

I want to take this opportunity to thank you for your support and understanding during this time. I look forward to rejoining the school community in May and leading our end of the year events.

Thank you for your cooperation.

Sincerely,

  
Renay Johnson  
Principal
